

GOOD GOOD FATHER

[Verse 1]

Oh, I've heard a thousand stories of what they think You're like

But I've heard the tender whisper of love in the dead of night
And You tell me that You're pleased
And that I'm never alone

[Chorus]

You're a Good, Good Father

It's who You are

It's who You are

It's who You are

And I'm loved by You

It's who I am

It's who I am

It's who I am

[Verse 2]

Oh, I've seen many searching for answers far and wide

But I know we're all searching

For answers only You provide

Cause You know just what we need

Before we say a word

[Chorus]

It's who You are

It's who You are

It's who You are

And I'm loved by You

It's who I am

It's who I am

It's who I am

[Bridge]

Cause You are perfect in all of Your ways
You are perfect in all of Your ways
You are perfect in all of Your ways to us,
You are perfect in all of Your ways
Oh, you're perfect in all of Your ways
You are perfect in all of Your ways to us

[Verse 3]

Oh, it's love so undeniable
I, I can hardly speak
Peace so unexplainable
I, I can hardly think
As You call me deeper still
As You call me deeper still
As You call me deeper still
Into love, love, love

[Chorus]

You're a Good, Good Father
It's who You are
It's who You are
It's who You are
And I'm loved by You
It's who I am
It's who I am
It's who I am

MULTIPLIED

Your love is like radiant diamonds

Bursting inside us we cannot contain
Your love will surely come find us
Like blazing wildfires singing Your name

God of mercy sweet love of mine
I have surrendered to Your design
May this offering stretch across the skies
These Hallelujahs be multiplied

Your love is like radiant diamonds
Bursting inside us we cannot contain
Your love will surely come find us
Like blazing wildfires singing Your name

God of mercy sweet love of mine
I have surrendered to Your design
May this offering stretch across the skies
These Hallelujahs be multiplied

(Multiplied)
(Oh multiplied)

God of mercy sweet love of mine
I have surrendered to Your design
May this offering stretch across the skies
These Hallelujahs be multiplied

These Hallelujahs be multiplied

(Your love is like radiant diamonds)
(Bursting inside us we cannot contain)
(Your love will surely come find us)

Like blazing wildfires singing Your name

BAPTIZED

I still see the steeple
A little church on the hill
There was a line at the altar
And every pew had been filled
I remember the water
The choir singing old hymns
There was a peace in the valley
Oh, as the preacher man, he said

In the name of the Father
The name of the Son
The name of the Spirit
You're washed by the blood
And buried with Christ
Raised in new life
Baptized

I can still hear the sermon
All the people said, "Amen"
There was a gift of salvation
You could be born again
I remember the power, the power
The Holy Spirit rushing in
There was peace like the river
Oh, when the preacher man said

In the name of the Father
The name of the Son
The name of the Spirit

You're washed by the blood
I'm buried with Christ
Raised in new life
Baptized

All those old stained-glass windows and the stories they tell
All the memories as clear as the day, I was there
All those years I spent running, You've given me back
Now I'm stepping in, oh, I'm stepping in
Oh, I'm stepping in

In the name of the Father
The name of the Son
The name of the Spirit
You're washed by the blood
Buried with Christ
Raised in new life
Baptized
Oh, in the name of the Father
The name of the Son
The name of the Spirit
I'm washed by the blood
I'm buried with Christ
I've been raised in new life
Baptized

I still see the steeple
A little church on the hill
