

BAPTIZED

I still see the steeple
A little church on the hill
There was a line at the altar
And every pew had been filled
I remember the water
The choir singing old hymns
There was a peace in the valley
Oh, as the preacher man, he said

In the name of the Father
The name of the Son
The name of the Spirit
You're washed by the blood
And buried with Christ
Raised in new life
Baptized

I can still hear the sermon
All the people said, "Amen"
There was a gift of salvation
You could be born again
I remember the power, the power
The Holy Spirit rushing in
There was peace like the river
Oh, when the preacher man said

In the name of the Father
The name of the Son
The name of the Spirit
You're washed by the blood
I'm buried with Christ

Raised in new life
Baptized

All those old stained-glass windows and the stories they tell
All the memories as clear as the day, I was there
All those years I spent running, You've given me back
Now I'm stepping in, oh, I'm stepping in
Oh, I'm stepping in

In the name of the Father
The name of the Son
The name of the Spirit
You're washed by the blood
Buried with Christ
Raised in new life
Baptized
Oh, in the name of the Father
The name of the Son
The name of the Spirit
I'm washed by the blood
I'm buried with Christ
I've been raised in new life
Baptized

I still see the steeple
A little church on the hill

MULTIPLIED

Your love is like radiant diamonds
Bursting inside us we cannot contain
Your love will surely come find us
Like blazing wildfires singing Your name

God of mercy sweet love of mine
I have surrendered to Your design
May this offering stretch across the skies
These Hallelujahs be multiplied

Your love is like radiant diamonds
Bursting inside us we cannot contain
Your love will surely come find us
Like blazing wildfires singing Your name

God of mercy sweet love of mine
I have surrendered to Your design
May this offering stretch across the skies
These Hallelujahs be multiplied

(Multiplied)
(Oh multiplied)

God of mercy sweet love of mine
I have surrendered to Your design
May this offering stretch across the skies
These Hallelujahs be multiplied

These Hallelujahs be multiplied

(Your love is like radiant diamonds)
(Bursting inside us we cannot contain)
(Your love will surely come find us)
Like blazing wildfires singing Your name

HARD FOUGHT HALLELUJAH

Yeah I don't always feel it
But that's when I need it the most
So I'mma keep on singing
'Til my soul catches up with my song

There's times when my hands go up freely
And times that it costs
There's days when a praise comes out easy
And days when it takes all the strength I've got

I'll bring my hard-fought, heartfelt
Been-through-hell Hallelujah
And I'll bring my storm-tossed, torn-sail
Story to tell Hallelujah
'Cause God you've been patient
God you've been gracious
Faithful whatever I'm feeling or facing
So I'll bring my hard-fought, heartfelt
It is well Hallelujah
Oh oh oh oh, Hallelujah
Hallelujah

I've wrestled with the darkness
But I'm trying to reach for the light
Yeah the struggle keeps me honest
And it breaks down the walls of my pride

'Cause faith isn't proven like gold
'Til it's been through the fire
My head, heart and hands are feeling heavy
But that's when I lift them just a little higher

I'll bring my hard-fought, heartfelt
Been-through-hell Hallelujah
I'll bring my storm-tossed, torn-sail
Story to tell Hallelujah
God you've been patient
God you've been gracious
Faithful whatever I'm feeling or facing
I'll bring my hard-fought, heartfelt
It is well Hallelujah
Oh oh oh oh, Hallelujah
Hallelujah

I'll bring my hard-fought, heartfelt
Been-through-hell Hallelujah (Hallelujah)
I'll bring my storm-tossed, torn-sail
Story to tell Hallelujah
God you've been patient
God you've been gracious
Faithful whatever I'm feeling or facing
I'll bring my hard-fought, heartfelt
It is well Hallelujah
Oh, Hallelujah
Hallelujah
