

FIRM FOUNDATION

Christ is my firm foundation
The rock on which I stand
When everything around me is shaken
I've never been more glad
That I put my faith in Jesus
'Cause He's never let me down
He's faithful through generations
So why would He fail now?
He won't, He won't

I've still got joy in chaos
I've got peace that makes no sense
So I won't be going under
I'm not held by my own strength
'Cause I've built my life on Jesus
He's never let me down
He's faithful in every season
So why would He fail now?
He won't, He won't
He won't fail, He won't fail

Rain came and wind blew
But my house was built on You
I'm safe with You
I'm gonna make it through

Oh, rain came and wind blew
But my house was built on You
And I'm safe with You
I'm gonna make it through

Yeah, I'm gonna make it through 'Cause my house is built on
you

Christ is my firm foundation
The rock on which I stand
When everything around me is shaken
I've never been more glad
That I put my faith in Jesus
'Cause He's never let me down
He's faithful through generations
So why would He fail now?

BEEN SO GOOD

I call You faithful
For the promises You've kept
And every need You've met
Lord, I'm so grateful
You were with me every step
And I never will forget

When I think of how You've blessed me
How Your hand has never let me go
Never let me go

You have been so good to me
God, I can't believe how You love me
What a friend You have been
So good to me
Oh, God, I can't believe how You love me
What a friend You
have been
Anybody got a friend in Jesus?

I call You Savior
For the blood that washed me clean
For the wrongs that You've redeemed
And I know You're able
And my eyes don't have to see
One more reason to believe

'Cause when I think of how You've blessed me
How Your hand has never let me go
You never let me go

You have been so good to me
Oh, God, I can't believe how You love me
What a friend You have been
So good to me
Oh, God, I can't believe how You love me
What a friend You have been, oh

Oh, what a friend we have
What a friend we have in Jesus
I've never known another like Him
No, I've never known another like Him

For every morning For every open door
I call You faithful
And I just wanna thank You, Lord

For every mountain
For every time You've brought me through
I call You faithful
And I just wanna thank You, Lord

For Your forgiveness
For how You never turned away
I call You faithful
And I just wanna thank You, Lord

For Your salvation
You paid the price I couldn't pay
I call You faithful
And I just wanna thank You, Lord

I just wanna thank You, Lord
'Cause You have been so good to me And God, I can't
believe how You love me What a friend You have been

Oh, so good to me

And God, I can't believe how You love me What a friend You
have been
So good to me

GOODNESS OF GOD

I love You, Lord
For Your mercy never fails me
All my days, I've been held in Your hands From the moment
that I wake up
Until I lay my head
Oh, I will sing of the goodness of God

'Cause all my life You have been faithful And all my life You
have been so, so good With every breath that I am able
Oh, I will sing of the goodness of God

I love Your voice
You have led me through the fire
In darkest night You are close like no other
I've known You as a Father
I've known You as a Friend

And I have lived in the goodness of God, yeah
'Cause all my life You have been faithful,
And all my life You have been so, so good
With every breath that I am able
Oh, I will sing of the goodness of God

Your goodness is running after, it's running after me
Your goodness is running after, it's running after me
With my life laid down, I surrendered now
I give You everything, oh Lord

And all my life You have been faithful
And all my life You have been so, so good
With every breath that I am able
Oh, I'm gonna sing of the goodness of God I'm gonna sing

All my life You have been faithful
All my life You have been so, so good
With every breath that I am able
I'm gonna sing of the goodness of God
Oh, I'm gonna sing of the goodness of God
