

This Is Amazing Grace

Who breaks the power of sin and darkness?
Whose love is mighty and so much stronger?
The King of Glory, the King above all kings

Who shakes the whole earth with holy thunder
And leaves us breathless in awe and wonder?
The King of Glory, the King above all kings

This is amazing grace
This is unfailing love
That You would take my place
That You would bear my cross
You laid down Your life
That I would be set free
Oh, Jesus, I sing for
All that You've done for me

Who brings our chaos back into order?
Who makes the orphan a son and daughter?
The King of Glory, the King of Glory

Who rules the nations with truth and justice
Shines like the sun in all of its brilliance?
The King of Glory, the King above all kings

This is amazing grace
This is unfailing love
That You would take my place
That You would bear my cross
You laid down Your life
That I would be set free

Oh, Jesus, I sing for
All that You've done for me

Worthy is the Lamb who was slain
Worthy is the King who conquered the grave
Worthy is the Lamb who was slain
Worthy is the King who conquered the grave
Worthy is the Lamb who was slain
Worthy is the King who conquered the grave
Worthy is the Lamb who was slain
Worthy, worthy, worthy

This is amazing grace
This is unfailing love
That You would take my place
That You would bear my cross
You laid down Your life
That I would be set free
Oh, Jesus, I sing for
All that You've done for me

All that You've done for me

To The Table

Hear the voice of love that's calling
There's a chair that waits for you
And a Friend who understands
Everything you're going through

But you keep standing at a distance
In the shadow of your shame
There's a light of hope that's shining

Won't you come and take your place

And bring it all to the table

There's nothing He ain't seen before

For all your fear, all your sorrow and your sadness

There's a Savior and He calls

Bring it all to the table

He can see the weight you carry

The fears that hold your heart

But through the cross you've been forgiven

You're accepted as you are

So bring it all to the table

There's nothing He ain't seen before

For all your trials, all your worries and your burdens

There's a Savior and He calls

Bring it all to the table

Bring it all

You can bring it all

And come on in, take your place

There's no one who's turned away

All you sinners, all you saints

Come right in and find your grace

Come on in, take your place

There's no one who's turned away

All you sinners, all you saints

Come right in and find your grace

And bring it all to the table
There's nothing He ain't seen before
For all your sin, all your sorrow and your sadness
There's a Savior and He calls
Bring it all to the table

How Good God Is

I didn't know the Healer 'til I needed healing
I didn't need a Savior or some kind of anchor 'til I lost my way
And I didn't know the Father 'til I felt like an orphan
And I didn't need a river, a gracious Forgiver, 'til my soul was stained
You took my hurting and gave it purpose

Thank God for the anger that forced me to pray
Thank God for the silence that taught me to wait
If He spared me from breaking, and God knows I did
Then I never would've ever known how good God is
I never would've ever known how good God is

I didn't know the Spirit 'til I felt His power
I didn't see the light 'til He opened my eyes in my darkest hour
I didn't know the Lion 'til I heard His roar
When I was surrounded and couldn't fight without Him, not one second more

So thank God for the anger that forced me to pray
Thank God for the silence that taught me to wait
If He spared me from breaking, and God knows I did
Then I never would've ever known how good God is

Thank God for the weakness that showed me His strength
Thank God for the fire that forged me with faith
If He spared me from drifting as far as I did
Then I never would've ever known how good God is
I never would've ever known how good God is

God is good, God is good, God is good
No, I never would've ever known how good God is
I never would've ever known how good God is

Thank God for His kindness to give up His Son
To sit there and watch as He says, "It is done"
If He spared Him from thorns and the nails through His wrists
Then I never would've ever known how good God is
I never would've ever known how good God is
