

## **LOVE GOES ON**

We found love that never runs dry  
From the depths  
To the sky  
Eyes fixed on the One who knows no end

You stand strong for all of time  
In the joy  
In the trial  
You are the Beginning and the End

Your love goes on  
Your love goes on

Ever our heart will seek  
Jesus in everything  
From sky to ocean deep  
Your love goes on

Through every rise and fall  
We are forever Yours  
One thing we know is sure  
Your love goes on and on and on

From dawn break into the night  
You're here with us  
You're on our side  
Your arms are forever open wide

You stand strong for all of time  
In the joy  
In the trial

You are the Beginning and the End

Your love goes on  
Your love goes on

Ever our heart will seek  
Jesus in everything  
From sky to ocean deep  
Your love goes on

Through every rise and fall  
We are forever Yours  
One thing we know is sure  
Your love goes on and on and on

Love unending  
Never shaken  
Hope awakens in You

Love unending  
Never shaken  
Hope awakens in You

Love unending  
Never shaken  
Hope awakens in You

Love unending  
Never shaken  
Hope awakens in You

Ever our heart will seek

Jesus in everything  
From sky to ocean deep  
Your love goes on

Through every rise and fall  
We are forever Yours  
One thing we know is sure  
Your love goes on and on and on

Ever our heart will seek  
Jesus in everything  
From sky to ocean deep  
Your love goes on

Through every rise and fall  
We are forever Yours  
One thing we know is sure  
Your love goes on and on and on

### **BEEN SO GOOD**

I call You faithful  
For the promises You've kept  
And every need You've met  
Lord, I'm so grateful  
You were with me every step  
And I never will forget

When I think of how You've blessed me  
How Your hand has never let me go  
Never let me go

You have been so good to me

God, I can't believe how You love me  
What a friend You have been  
So good to me  
Oh, God, I can't believe how You love me  
What a friend You have been  
Anybody got a friend in Jesus?

I call You Savior  
For the blood that washed me clean  
For the wrongs that You've redeemed  
And I know You're able  
And my eyes don't have to see  
One more reason to believe

'Cause when I think of how You've blessed me  
How Your hand has never let me go  
You never let me go

You have been so good to me  
Oh, God, I can't believe how You love me  
What a friend You have been  
So good to me  
Oh, God, I can't believe how You love me  
What a friend You have been, oh

Oh, what a friend we have  
What a friend we have in Jesus  
I've never known another like Him  
No, I've never known another like Him

For every morning  
For every open door

I call You faithful  
And I just wanna thank You, Lord

For every mountain  
For every time You've brought me through  
I call You faithful  
And I just wanna thank You, Lord

For Your forgiveness  
For how You never turned away  
I call You faithful  
And I just wanna thank You, Lord

For Your salvation  
You paid the price I couldn't pay  
I call You faithful  
And I just wanna thank You, Lord

Oh-oh-oh, oh-oh, oh-oh (yeah, yeah)  
Oh-oh-oh, oh, I just wanna thank You, Lord  
Oh-oh-oh, oh-oh, oh-oh (yeah, yeah, yeah)  
Oh-oh-oh, and I just wanna thank You, Lord

'Cause You have been so good to me  
And God, I can't believe how You love me  
What a friend You have been  
Oh, so good to me  
And God, I can't believe how You love me  
What a friend You have been

So good to me (so good)  
God, I can't believe how You love me

What a friend You have been (oh)  
So good to me  
Oh God, I can't believe how You love me  
What a friend You have been
